Cours de Langue Française de la Sorbonne

French Language Course at the University of Paris IV, La Sorbonne

Elementary French I & II - Level(s) 100

This course consists of two components - language and phonetics. The course is designed to give a good basic foundation in French covering vocabulary, grammar, phonetics, reading, conversation and laboratory work. The course is suitable for absolute beginners or for students with some high school French. The language and phonetics components are listed separately on the student's transcript and students must pass both the language and phonetics components to receive credit for the course.

The language component meets for an average of 10 hours per week. The phonetics component meets for an average of 2.5 hours per week. Transcripts total 50 contact hours. Instruction is in French.

Intermediate French - Level(s) 200

This course consists of two components - language and phonetics. The course reinforces basic grammar as well as the more advanced aspects of the language. Emphasis is placed on written composition and small group oral work. The language and phonetics components are listed separately on the student's transcript and students must pass both the language and phonetics components to receive credit for the course.

The language component meets for an average of 10 hours per week. The phonetics component meets for an average of 2.5 hours per week. Transcripts total 50 contact hours. Instruction is in French.
